Sean Peter Fitzgerald

Sean, There is no harder time in a parent's life than watching as your child goes off on their own. We will watch you go with such pride in our eyes. You are such a wonderful son, brother, uncle, nephew, grandson, and friend to us all. You have always brought us such happiness with all you have done. We will miss the hugs and kisses we get everyday, but know that when you do come home, even if its for short visits, we will have many more great times together.

Live everyday as if it was your last. When you wake to a new day, grasp it with both hands tightly and smile, for you will know this day and all its opportunities are there for you. Go out with the knowledge that your family will always love you and will be here no matter what! Follow your dreams and never give up. Live, love, and laugh with the abandonment of a child and the wisdom of your elders to guide you. Be kind to others and remember we love you with all our hearts.

Words can't express how proud I am of you, but yet you know. You are a bright star, a fantastic kid that has brought nothing but joy into my life. The day you were born, I knew you were special and for those that have the pleasure of meeting you, may your beautiful smile, kind heart and words, plus general presence, touch them as well.

Keep up the good work, stay focused and true to yourself and your beliefs, and they will take you far in life. Don't be discouraged by any new challenges, or side tracked by faux situations.

Be a leader, not a follower, and reach for the stars.

The world is your oyster. Enjoy!!! Congrats, you did it
